My Brothers,

The Emerald Ball, Master's & Warden's Annual Fund Raiser is upon us. It is important that the lodges of the district support this event. Master's & Warden's two major expenditures are the Grand Master's Official Visit to the District and the Masonic Home Resident's Christmas Party. These two events have a combined total budget of \$5500.00. Should Master's & Warden's come up short on funding for the year, the Master's & Warden's per capita rate the Lodges of the District pay can be increased to as much as \$4.00 per member to make up the short fall. The event will again be held at the Coral Ridge Yacht Club, an excellent venue. Come out and enjoy a great evening of fellowship, dining and dancing and support Master's & Warden's.

Just a reminder that Pilgrimage Day at the Masonic Home will be Saturday, March 19th. The Mahi Shrine has again made their bus available to us for those who would like to make the day-trip at the cost of \$20 per person. For bus reservations contact Master's & Warden's President, R.:W.: Paul Maturse at pmaturse2@bellsouth.net or 954-612-3175.

For those of you who are planning to attend Grand Lodge in Jacksonville (May 30 –June1) I encourage you to make your reservations ASAP if you have not done so already. For reservations contact the Hyatt Regency Jacksonville @ 888-421-1442, group name, Grand Lodge of Florida, \$94.00 per night.

My Official Visit Schedule for the month of March is as follows:

Tuesday, March 1	North Star Lodge
Thursday, March 3	West Broward Lodge
Thursday, March 10	North Broward Lodge
Thursday, March 17	Eureka North Shore Lodge

Brothers of the Mighty 33rd District

I hope everyone is planning to attend the Emerald ball at the Coral Ridge Yacht Club on March 5th. It promises to be a great event that you don't want to miss. This ball is the primary income source for our great district and supports both the Grand Masters visit (word is it is Friday September 23rd) and the Masonic Home Christmas Party so please come out and support us.

Pilgrimage Day at the Masonic home is coming up March 19th and if you want to ride over for the day on the Shrine Bus just give me call 954-612-3175 and I will sign you up. Cost is \$20 each.

I want to again encourage all the lodges to please send their upcoming events to the Broward Masons Group so all the lodges can see what is happening in the District and hopefully to stop by and support your lodge. If you don't know how to post them just send me all the details and I will publish it for you. If you want to do it yourself just send it to the following link: browardmasons@yahoo.com but remember to use the email that you registered with that group.

The Traveling Gavel is waiting for your lodge to come and gather it for your lodge. The purpose is to encourage travel and build the bond of Brotherhood within our fraternity. There is a lot going on in our District beyond the walls of your own lodge so why not get out and experience it. Each lodge has something to share and all you need to do is knock on the door.

Open Books (5:00 PM—8:00 PM) March 2nd, and 21st 2016 at Doric Lodge No 140
School of instruction (7:00 PM-8:00PM) March 2nd 2016 at Doric Lodge No 140

My Brothers,

I would like to thank all the brothers that regularly come to the open books and schools of instruction. Your dedication is what encourages me to continue my studies of our ritual.

Brothers, I'm sure many of you are aware that I teach the adopted forms and ceremonies as written and adopted by Grand Lodge. Nothing is more aggravating than hearing that something I teach is in conflict with Federal Law. For this reason I want to discuss some of the controversy around how the flag is supposed to be carried. Our Floor Work Manual instructs us to carry the flag at our right side and at a 20 – 30 degree angle vertically. Many times I hear the federal law quoted as saying the flag is to be carried vertically. Brothers, I have searched the Federal Flag Code and can only find that it is to be carried free and aloft. Because of this I have been teaching a technique that somewhat complies with our adopted forms and ceremonies and with federal law. So now I will ask; if you disagree with what I am teaching, show me the section of the federal law that says the flag shall be carried vertically.

Last month I commented on the importance of studying our ritual and how this is a learning process for all of us. In my view part of our education process is having these very types of discussions too. Our education does not stop with the ritual alone. It is these types of discussions that allow us to learn from one another. For this reason at our next school of instruction I am going to discuss this topic again. I encourage all the Senior and Junior Deacons of each lodge to attend. I will also make available to those that desire a copy of the U.S. Flag Code. Additionally, we will be going over conducting candidates to the west of the altar at the end of the first section of the degrees. For this I encourage all Deacons and Stewards to attend.

Brothers, I keep saying that this is a learning process for all of us, and it is. Let's learn from each other. As I have said in the past; I am available to all of you to aid in your studies, but you have to ask. I think it is amazing how far the simple question, "Hey Brother, would you help me?" can take us.

Respectfully,

R.H. John Bonner P.M.

FORT LAUDERDALE YORK RITE BODIES

TRAVEL THE ROAD TO FURTHER MASONIC LIGHT!

My Brothers,

At some point during our Masonic travels, each of us will aspire to learn as much as we can, about the 3 degrees taught in our Blue Lodge. Upon being raised, we were told that we have full access in taking part of the rights, light and benefits of a Master Mason.

What does that really mean?

There comes a time when we realize that we have not attained that goal and that we are not yet in full possession of all the rights, light and benefits, as they were understood by our ancient brethren. The most significant connection that all of us share together is our affiliation in the Blue Lodge. The first 3 degrees were structured and taught in a specific way and for a specific reason. However, in order to fully comprehend the deeper meaning of the lessons taught, the Master Mason must seek Further Light, in order to acquire the additional working tools, designed to develop his mind and conscience in a proper manner, to receive this understanding.

The York Rite of Freemasonry provides that path of understanding for the 3 degrees of Ancient Craft Masonry. The Royal Arch degree in particular, completes the story and answers many of the questions left within the mind of the Master Mason. The Royal Arch Degree is the complement of the Master's 3rd Degree, the unfolding into a second volume of the history of that which was lost, to its final recovery. Without the Royal Arch, the Master Mason Degree is like a song half sung, a book half read, or a promise unfulfilled.

For those of you who seek this understanding, we invite you to join us for one of our upcoming degree ceremonies.
